

New York, Feb. 16/46.

Dear Brother,

(5-

I called at your house this morning - saw your wife - and recd. the paper. I left with your son last evening.

With this I send the letter to the Convention & brother Jocelyn's letter.

I enclose also a letter recd to day from An Scudder. What evidence we have of the necessity of a Society that will meet the wants of Christened abolitionists in all respects!

My own opinion is decidedly in favor of continuing & sustaining the Union Min. Soc. We can make any alterations that may be desirable. It would take some time to organize a new Society & gain even the reputation the U. Min. Soc. has.

I hope you will have a prosperous journey & much regret that I can not be with you.

Affec^y yours

Dear Mother,
I called at your house
this morning - saw your wife - and saw
the father of the child you are now nursing.
With this I think the matter
of the Committee is settled. I am
satisfied that a letter sent
to-day from the Committee, stating
the facts of the case, and of the
fact that we want the most of them, and
a statement of all facts!
I am, my dear mother, of the
opinion, that the Committee, in their
conduct, in continuing to insist, the same
thing over, the case, and the other
that may be desirable. It would be
better to propose a new fact, and
then to propose the old fact.
The Committee will have
a paper, and a great deal of
it will be with you.
I am, my dear mother,
Yours affectionately,
L. Tappan
